

The benefits of **outsourcing**

- Control all costs
- Reduce risks for new products and packs
- Improve speed to market
- Minimise capital investment
- Maximise flexibility
- Peace of mind

Smart businesses outsource

When it comes to choosing an outsourcing service, we understand that price, service and on-time delivery come first. However, our people also treat your job as the most important thing in the world. Because it is.

Labour hire

We can bring a labour force to your site. At DSA Labour Solutions we not only take responsibility for all on-the-job training and on-site supervision, we also pay all workers compensation and entitlements - your only obligation is a flat fee. **No hidden costs to account for!**

Good corporate **citizenship**

Using DSA to do your work is not just practical and economically positive, it also says a lot about your business and its place within the community. DSA currently provides employment for over 500 people with a disability because of customers just like you. Your support can, and does make a difference.

OUR SOLUTION IS WORKING

DSA for Business

Our prices are competitive.
The pride in our work,
priceless

We are one of Australia's largest and most respected providers of employment and community support services to people with a disability, providing support to more than 1,300 people.

We have been in business for over 50 years, and operate services that are higher in quality, cost effective and accountable to stakeholders than ever before.

We strive to always do it
better

Quality and continuous improvement are woven into the fabric of our organisation and are part of 'the way we do business'.

Our quality management systems cover all parts of our business, from strategic planning processes at board level, right down to our day to day operations in our factories.

A focus on process underpins all we do.

We have achieved both local and international recognition for the quality of our service provision, and are proud of our long history of excellence in enhancing the lives of people with a disability.

We work as one team to assist our Business Services customers to achieve their goals. Customer satisfaction is the focus of our system and we work closely with all our customers to integrate their standards and needs into our system to achieve the best outcomes for them. We use a variety of methods to monitor our programs and seek feedback from our customers.

Here are just some of the things we can do:

- Contract packaging and assembly
- Shrink wrapping, heat and poly-sealing
- Storage, distribution and logistics
- Labour outsourcing
- Labelling and de-labelling
- Flow wrapping
- Bond storage and security packing
- Clean room and cool room work
