Benefits:

- Chance to be part of a well-respected and values based organisation
- Opportunity to working within a professional supportive clinical team with a senior speech pathologist
- Competitive salary and a generous car allowance
- Tax free salary sacrificing benefit
- Opportunity to work autonomously and still be part of a team
- Regular team training and supervision
- Great work life balance

Main Responsibilities:

- Be able to provide a range of assessments and interventions using an evidence-based approach
- Conduct AAC assessments and implement a range of AAC strategies
- Conduct Oral Eating and Drinking Care Plans with reports (i.e. mealtime management plans)
- Complete communication reports and provide valued recommendations

To be successful in this role you will have: -

- Relevant Speech Pathology tertiary qualification
- Current CPSP Certification with Speech Pathology Australia.
- Will consider Provisional CPSP if working towards an upgrade to Certified Practising membership.
- Current Australian Driver's Licence with access to a reliable car and a willingness to drive around Greater Sydney during work hours
- Demonstrated high-level written and verbal communication skills
- Have well developed computer literacy
- Excellent time management skills
- Have a valid WWCC and willingness to undertake a national police check as part of the employment checks
